

# MARLOW CAMERA CLUB

## NEWSLETTER – NOVEMBER 2008

### November Programme

On 4<sup>th</sup> November we have the photoshop workshop. Seven volunteers (thanks) will bring their laptops and we will divide into groups to work on a few photos. After coffee, each group will show their edited photos and it will be interesting to see the different takes on the same images. Should be informative and fun.

On 11<sup>th</sup> November we have our next competition, this time open subject for PDIs and slides. Please send your images to Steven and notify him of slide entries as soon as possible.

On Monday 17<sup>th</sup> November the first Rose Bowl competition is being held at Hemel Hempstead. Steven will give details nearer the time and it would be good to have a good turn out from Marlow.

On 18<sup>th</sup> November we have a joint meeting at Henley which is an evening of digital AV with Len Deeley. A map is at <http://www.henleyphotoclub.com/contact/location.html> but if you want, or can offer a lift let me know.

Finally, on 25<sup>th</sup> November we have a workshop “Useful techniques including Macro Photography”. The timetable for this is still open so if you have some useful hints and tips to pass on please let me know.

### Back to Basics – informal follow-up

Roger is continuing to hold informal “Back to Basics” tutorials at his house for small groups of members. The purpose is to help clarify basic photographic principles and camera facilities. Contact Roger at [roger.glanville@btopenworld.com](mailto:roger.glanville@btopenworld.com).

### Projector

Steven, Denis and I have spent a considerable amount of time on the projector. It is fairly clear that our projector is old and cannot be put right without considerable cost. We are examining alternatives and will keep you informed.

### Marlow Town Council

By the time you read this we will have given our photos to the Town Council but not as many as was anticipated. Please continue to give your Marlow photos to Helen and we will give them another batch later. There will be the usual Remembrance Service and Parade on the 9<sup>th</sup> November and Carols on the Causeway on 15<sup>th</sup> December. The Council would like some photos of these events for their magazine and website and they will both provide some good photo opportunities.

### Events

Some November events can be found at <http://www.photographers-resource.co.uk/diary/index.htm> and don't forget the fireworks on 5<sup>th</sup> November.

The annual “Wildlife Photographer of the Year” exhibition at the Natural History Museum runs from 31 October 2008 to 26 April 2009. I have been for the last few years and thoroughly recommend it. <http://www.nhm.ac.uk/visit-us/whats-on/temporary-exhibitions/wpy/>

## **Emails Received**

Have you been around the rest of my web site? There is a lot of Christmas lights in towns in this web site. I don't think there will be any Christmas lights in Marlow this year and on most of the lampposts in the centre of Marlow still got the rope lights which were from last Christmas. The link to the Marlow Christmas lights page is

<http://hometown.aol.co.uk/xmaslightsgb/xmas/bucks/marlow/marlowchristmaslights.htm>

Here is a link to the web site

<http://hometown.aol.co.uk/xmaslightsgb/index.htm>

Some of the early photos which I took are not very good and the camera used 110 film .The camera was a boots one which I bought in 1982. Please can you send an email to the Marlow camera club members telling about by web site ?

Thanks

Tim

I am selling my Canon G7 top end compact with spare battery, SD Card and case for £185 (The newer G10 is £400 without the extras). 01628 532360 Nick

## **Generally**

There are some great "street" photos on this site <http://www.in-public.com/>

If you have any items you would like to include in future newsletters, please send them to me a few days before the end of the month

Nick Taylor  
Secretary
