

## MARLOW CAMERA CLUB

### NEWSLETTER – SEPTEMBER 2009

#### September Programme

Our new season begins on **Tuesday 15<sup>th</sup> September** with our “Welcome Back” evening. You will meet the new committee and see some of their photographs. Roger will give a short presentation about the merits and use of different sorts of camera and how to decide which camera is right for your needs. Nick will tell us about his experience in acquiring his LRCP qualification. Helen and Denis will tell you all you need to know about preparing for future competitions. There will also be a fun photo Quiz called “What is it?”

Members are reminded that subscriptions will be collected at the first meeting and that they have been increased to £45 this year. It will also be possible to pay £20 in advance for refreshments for the whole season, should you wish to do so. If at all possible Nick would like payment to be made by cheque please.

On the following **Tuesday 22nd September** David Boag will give a lecture, sponsored by Aggregate Industries Ltd., called Natural Quarry. In this illustrated talk he tells how delighted he was to find the wealth of colourful and interesting subjects surrounding the quarry through the year.

On **Tuesday September 29<sup>th</sup>** we have our first open competition which is to be judged by ex-member Sandy Watson.

#### Marlow Carnival – Higginson Park – Saturday 19<sup>th</sup> September

For further details of this event visit the website.
