**What is Happening in Marlow?** Go to [www.MyMarlow.co.uk](http://www.MyMarlow.co.uk) to see events in and around Marlow for the coming months.

**Interested in photographing Wolves?** The following was received from The Anglian Wolf Society :

During June and July we are offering a special introductory price of £25.00 per person for a 3 hour photography session at our site in north Bedfordshire.

The session provides an ideal opportunity for getting great close-up portraits of these enigmatic animals. The wolves live in 2 large enclosures offering a variety of different picture opportunities. The lack of stand off barriers and wide gauge mesh ensure you can capture photographs without fencing in the way. Each enclosure has a small landscaped mound to act as a background for the wolves to allow 'clean' portraits of these beautiful animals. Our wolves are socialised so will not hide from people taking pictures.
